Required Pool Information at time of Application Submission

1. Signed contract with scope of work and valuation of pool and pool barrier (fence), if required
2. Location of pool on survey with distances to property lines and lot coverage calculations
3. Vegetative drainage area on survey with flow arrows from pool to that area
4. Cross-section diagram of the pool with volume calculations
5. Specs on concrete, rebar, and bond beam / collar support, if applicable
6. Pool equipment specs (gas vs. electric heat)
7. Location of pool equipment (shed, basement) – must be enclosed, sound insulated and vented if required by code or manufacturer's instructions
8. Tree removal application if trees are to be removed from construction of pool
